

GENEROSITY & STEWARDSHIP ACCELERATOR

Your Best Year Ever in
Generosity and Stewardship

DATES: Dec 4 - 6, 2018 / May 21 - 23, 2019 / Dec 3 - 5, 2019

We help leaders get beyond talk to real implementation that leads to measurable impact.

GROW YOUR PEOPLE. FUND YOUR MISSION.

The Accelerator strategy involves equipping the leader and building the team to work together in a effort to integrate stewardship and discipleship in the life of the church. By measuring what matters most in this arena, leaders can continually test and improve their strategies in order to accelerate results and multiply impact.

How Does It Work?

Our Generosity & Stewardship Accelerator involves three, 3-day world-class facilitated sessions with your team over the course of one year. This proven process provides:

- Connection with other pioneering churches - true peers.
- Analysis of your current generosity initiatives.
- Development of a comprehensive plan for growing generosity, stewardship and giving that includes growing resources and growing people.

The Accelerator experience also includes:

- Monthly online group sprint session led by the Leadership Network team and Generis Consultants.
- Monthly office hours where your team can schedule an online coaching call with the director.
- Five Leadership Network Church Implementation Lab memberships for your team.

What is the Value?

Purchased separately, the components of the Engagement Accelerator would total \$35,940:

Three group sessions for your team of three with other innovative church teams: \$12,000

Monthly online group sprint sessions: \$6,000

Monthly online coaching sessions with Generis Consultants: \$12,000

Five Church Implementation Lab memberships for your team: \$5,940

What Do you Pay?

The charter rate is \$12,000 for a team of three people coming to each gathering. Additional teams members (up to 5) can be added for \$500/person/gathering.
